FIXED RATE CASH ISA – HOW IT WORKS

IF YOU DON'T MIND LOCKING YOUR MONEY AWAY, THEN THE FIXED RATE CASH ISA WILL HELP YOU MAKE THE MOST OF YOUR ANNUAL SAVINGS ALLOWANCE BY EARNING TAX-FREE INTEREST.

The Fixed Rate Cash ISA offers you the certainty of a fixed interest rate along with the security of your capital.

As long as you're aged 16 or over and a UK resident, you can start saving up to the annual statutory limit (see accompanying summary box flyer for full details) in a Fixed Rate Cash ISA. That's all tax-free saving.

Transfers in from previous years' ISA subscriptions are accepted and additions are allowed for 15 calendar days after the account opening.

Please note: this product is not a flexible ISA.

Transfers in of flexible ISAs are allowed, however you'll lose the flexibility of being able to replace withdrawn funds.

Withdrawals aren't available during the fixed rate term. Both transfers out to another ISA provider and closure of the account will incur Early Access Charges.

The term and minimum amount you can invest may vary according to the issue. Check our website for more details.

The rate of interest you earn won't be taxed throughout the lifetime of the Fixed Rate Cash ISA. Interest is paid annually on 30 September.

The Financial Conduct Authority is a financial services regulator. It requires us, the Family Building Society, to give you this important information to help you to decide whether our Fixed Rate Cash ISA is right for you. You should read this leaflet carefully so that you understand the key product features for this account, and then keep it safe for future reference.

For details of all our Cash ISAs and other savings accounts please call our New Business Team on 03330 140141 or visit familybuildingsociety.co.uk/savings

Who can open this account?

You can only open an account in your own name and you must be:

- aged 16 or over;
- resident in the United Kingdom;
- saving on your own behalf.

What do you need to do?

Your Fixed Rate Cash ISA will be opened when we receive your:

- fully completed Fixed Rate Cash ISA application form;
- opening investment of up to the annual statutory limit for the current tax year (see accompanying summary box flyer for full details), plus any transfer of existing flexible or non-flexible Cash ISAs;
- evidence of identity (if required);
- details of the bank account where you would like interest and maturity funds to be sent.

You can open an account by debit card (online only), by transfer from your bank account, by cheque, by transfer from another ISA provider, by transfer from another savings account with us (subject to normal withdrawal terms of the paying account) or by cash (Epsom branch only).

If you are opening your account by cheque please make it payable to “Family Building Society”, followed by your name.

Unless you're an existing customer, we will require at least one cheque to be drawn against your own personal bank account to allow the new account to

be opened. If you are unable to provide a personal cheque and your funds are to be drawn from another bank or building society account, please contact our New Business Team to discuss the circumstances before you apply.

Power of Attorney

Power of Attorney applications can be downloaded from our website, requested over the phone and sent to you by post or obtained from our Epsom branch.

The opening deposit can be made by cheque or by transfer from another savings account with us (subject to normal withdrawal terms of the paying account). Once the account is opened Attorneys can register for our Online Service and operate the account online, by phone, by post or at our Epsom branch.

Closure funds will only be sent to the account holder's bank account. Instructions for the account can be given online, over the phone, by post or at our Epsom branch.

Please contact the Family Service Team on 03330 140144 for more details.

Transfers

We accept transfers in of existing Cash ISA subscriptions, including flexible ISAs (current or previous year). To do this you'll need to complete the Cash ISA application form and return it to us with a completed Cash ISA transfer form (please refer to 'Transfer from existing ISAs' later in this leaflet).

Please note that if you transfer your flexible ISA funds from another ISA provider to us, you'll lose the flexibility of being able to replace withdrawn funds, as this isn't a flexible ISA.

Transfers in of inherited ISA funds are allowed in the same way as previous years' subscriptions, although inherited ISA funds are limited to the balance as at the date of death of the deceased spouse or civil partner.

Transfers in of existing Stocks & Shares ISAs aren't accepted.

Account records

When your Fixed Rate Cash ISA has been opened, we'll send you a Savings Account Certificate as confirmation of your initial deposit.

The Certificate should be kept in a safe place, along with this leaflet and the General Conditions for our Savings Accounts booklet, as your record of your account. We'll issue a statement each October covering the previous 12 months that shows receipts, interest earned and the latest balance.

In order for you to be kept up to date with information, we ask that you let us know as soon as possible of any changes to your name, address, phone number or email address. We'll notify you if, for any reason under the regulations, your ISA has or will become void.

IDENTIFICATION REQUIREMENTS

We are required by law to verify the name and address of all new members.

New members

To check your identity we will carry out searches on you at a credit reference agency that will supply us with information, including details from the Electoral Register. The searches will not be seen or used by lenders to assess your ability to obtain credit.

If we are unable to verify your identity by this method we will be unable to open your account until we receive further identification. In this instance we will advise you of the additional documentation required.

Existing members

If you are opening a new account via our Online Service, we'll check your identity again using a search about you at a credit reference agency that will supply us with information, including details from the Electoral Register. The searches will not be seen or used by lenders to assess your ability to obtain credit.

If you are applying for an account by post or in person at our Epsom branch, you will not need to provide further evidence of your identity if you

already have an open savings or mortgage account with us, your signature matches our records, and your name and address haven't changed.

ADDING TO YOUR SAVINGS

Additions are allowed for 15 calendar days after the account is opened. After this period no further additions are allowed.

You may save up to the annual statutory limit into the Fixed Rate Cash ISA during the current tax year (see accompanying summary box flyer for full details).

If you wish to deposit into an existing Fixed Rate Cash ISA and you have not deposited in the current or previous tax year, then you will need to complete a Cash ISA renewal form and return it to us. Please ensure that the existing ISA you wish to pay into is still accepting funds. For a copy of the renewal form, please contact our Family Service Team on 03330 140144 so that we can send it to you or alternatively, you can download it from our website.

By debit card

To add to your account using your debit card, you will need to register for our Online Service. You can't use your debit card to add money to your account over the phone. If you open your account online, registration is part of the account opening process and you can add by debit card straight away.

To add money to your account by Debit Card you must be registered for our Online Service. If you are not already a user of our Online Service, you can register via our website once you have received your Certificate, by visiting familybuildingsociety.co.uk/new-online. After you have registered, we will send you a verification code. For security reasons this is sent by email or by post, and you will need this code for your first login.

Please note that the debit card you use to deposit money into your Fixed Rate Cash ISA must be registered to the residential address we hold for you.

By transfer from your bank account

To send additional savings directly from your bank or building society account, the banking details you will need for us are:

- Payee: Family Building Society
- Payee's bank sort code: 40-02-50
- Payee's bank account number: 21397400
- Payee's reference: Your 10 digit Fixed Rate Cash ISA account number

By cheque

You can send us a cheque for your additional savings through the post. Cheques should be made payable to "Family Building Society" followed by your account number.

By transfer from another account with us

If you have another savings account with us you may transfer some or all of your savings to the Fixed Rate Cash ISA (subject to normal withdrawal terms of the paying account).

By cash

Cash deposits for your account can be paid in person at our Epsom branch (up to £2,000 per person per day). If you have more than one savings account with us, this amount may be split across them all, subject to additions being accepted, but cannot exceed this limit in total.

Availability of funds paid in

Please check Section 9 of the General Conditions for our Savings Accounts booklet for more information about when money paid in becomes available for withdrawal or transfer.

TAKING MONEY OUT

Withdrawals from the account aren't permitted prior to the maturity of the fixed rate term.

Early withdrawal and closure

Withdrawals aren't permitted during the fixed rate term before maturity (see 'Maturity'), however, the account can be closed before maturity subject to the below Early Access Charge applying. This charge varies depending on the original term you choose and the term remaining at the point of closure. The charge reduces as the product term approaches maturity (as shown in the table below) and is calculated using the closing balance and the interest rate which applies at the time of closure.

Original term	1 year	2 years	3 years	4 years	5 years	
Closure during	Year 1	99 days	225 days	270 days	320 days	365 days
	Year 2		180 days	225 days	270 days	320 days
	Year 3			180 days	225 days	270 days
	Year 4				180 days	225 days
	Year 5					180 days

For example, if you initially choose a two year fixed term which you then close during the second year the charge is 180 days, at the interest rate applying at that point.

You can close your account using our Online Service, by phone, by post or at our Epsom branch. Occasionally we may make further phone enquiries to confirm the instructions first.

Please note: If the Early Access Charge is greater than the interest earned at the point of closure, some of the capital invested could be lost.

By transfer to your bank account

Closure funds will be paid by transfer to your bank account. Your payment will reach the other bank or building society no later than the end of the next working day.

If the cheque used to open your Fixed Rate Cash ISA isn't drawn against the account nominated on your application form, then please send us an original statement for the nominated account, issued within the last three months and showing your full name.

By transfer to another account with us

You can transfer money from your Fixed Rate Cash ISA to another account with us via our Online Service, by calling our Family Service Team or visiting our Epsom branch.

Please refer to Section 10 of the General Conditions for our Savings Accounts booklet for more information, including details of the cut-off times applying to closure requests.

Closure by cash or cheque is not available.

INTEREST

The Fixed Rate Cash ISA pays a fixed rate of interest for the term chosen when the account is opened. The interest earned, which is paid annually on 30 September, is always added to the account. Please note: interest will not be added to your account on the fixed rate end date itself unless you decide to transfer your Cash ISA into another cash ISA account. Automatic reversion on the fixed rate end date to our Market Tracker Cash ISA account terms is not an account closure. See 'Maturity' section for more details.

ISA OPTIONS AND ALLOWANCES

There are rules on how much you can invest in an ISA in each tax year (6 April to the following 5 April) as well as on which type you can invest in.

An ISA currently permits up to the annual statutory limit (see accompanying summary box flyer for full details) to be invested and split between stocks and shares, cash or innovative finance savings in any proportion you choose. You must be aged 16 or over to invest in a Cash ISA and aged 18 or over to invest in a Stocks & Shares or Innovative Finance ISA.

The Fixed Rate Cash ISA allows you to invest up to your annual limit in cash but does not accept any other type of investment.

The Government may change these ISA rules in the future. An ISA cannot be used for security of a loan.

Whilst you can choose a different provider for each type of ISA, in each tax year you may only subscribe to one of each type. If you choose a Stocks & Shares and/or Innovative Finance ISA (which we do not offer) for the full annual statutory limit, you may not open a Cash ISA in the same tax year.

If you have any questions, please call us.

SUBSCRIPTION LIMITS, DEADLINES AND TRANSFERS

You must ensure that your total subscriptions to ISAs each tax year are no more than the annual statutory limit (see accompanying summary box flyer for full details).

All new current year's subscriptions and transfers of current or previous years' subscriptions must be made within 15 calendar days of account opening. For accounts opened with a transfer from another provider, this 15 calendar days starts from the date we receive your application form and accompanying transfer request. After the 15 calendar days have passed you can't make any further subscriptions into your Fixed Rate Cash ISA, regardless of any amount you may have withdrawn. Transfer of your existing ISAs for previous tax years between providers doesn't affect

your annual subscription limit for the current tax year. Subject to the terms of the existing account, you can transfer part or all of a previous tax year Cash ISA subscription and/or all of the current tax year Cash ISA subscription provided the transfer is completed within the 15 day window.

If you have inherited ISA savings from your spouse or civil partner you are entitled to an additional tax-free ISA allowance to the value you have inherited, known as an 'additional permitted subscription' or 'APS allowance'. To find out more, or to open an account with inherited ISA savings, please visit the FAQs on our website, familybuildingsociety.co.uk/FAQ

TRANSFER FROM EXISTING ISAS

Subject to the terms of the existing account, you can transfer part or all of the previous tax year Cash ISA savings and/or all of a current tax year Cash ISA subscription into the Fixed Rate Cash ISA. Transfers from flexible and non-flexible Cash ISAs are accepted where a transfer form accompanies the account application form. Any further transfer requests made after the application form is sent will not be accepted.

Please note that if you transfer your flexible ISA funds from another provider to us you'll lose the flexibility of being able to replace withdrawn funds, as this isn't a flexible ISA.

Please contact us and we'll provide you with the appropriate transfer form. Your current ISA provider will make the transfer, in accordance with their terms and conditions, which may take up to 15 business days in addition to any notice period that may be required on the account and they may make a charge for the transfer. The Fixed Rate Cash ISA is a limited edition account and may be withdrawn at any time. This means that transfer of ISAs which require expiry of a notice or are awaiting maturity may not be accepted.

Provided we've received your correctly completed application form and have been able to verify

your identity to our satisfaction, you will begin to earn interest on the ISA savings transferred to your new account with us from the date on the cheque sent to us by your current provider or, if the transfer is delayed, 16 business days after we receive your transfer request. Where a period of notice is required, under the terms of the ISA being transferred, the delayed transfer period of 16 business days will be extended accordingly.

A transfer form can be obtained by contacting our Family Service Team or, alternatively, you can print this from our website, familybuildingsociety.co.uk/savings

Please note, transfers from Stocks & Shares ISAs are not permitted.

TRANSFER TO OTHER ISAS

Transfer of the full closure balance to another ISA provider is allowed subject to the Early Access Charges applying. You will need to contact your new ISA provider in order to start the transfer process. Please note that partial transfers to other ISA providers are not permitted from this account.

MATURITY

The funds in your Fixed Rate Cash ISA become available for re-investment or withdrawal without charge on the maturity date shown on your Certificate (or the next working day, if maturity falls on a weekend or Bank Holiday), when the terms of your account will revert to those of our variable rate immediate access Market Tracker Cash ISA, which requires no notice or Early Access Charge for withdrawals.

To help you ensure that your savings are always working hard for you we'll write to you no later than 15 calendar days before maturity with details of the alternative Cash ISA products available for the re-investment of your Fixed Rate Cash ISA.

If you plan to be away from home for an extended period around the maturity date of your Fixed Rate

Cash ISA, we'll be happy to accept instructions for re-investment or withdrawal in advance but in these circumstances we may not be able to guarantee the availability of particular products at the maturity date of your Fixed Rate Cash ISA.

STAKEHOLDER ACCOUNTS

In addition to setting out regulations that govern Individual Savings Accounts in general, the Government also sets out further requirements which an ISA must meet in order to be classed as a Stakeholder product. Our ISAs are not Stakeholder products.

DEATH OF AN ACCOUNT HOLDER

In the event of the account holder's death, the account will be closed following our usual procedures, without notice or an access charge. Interest paid up to the date of death is tax-free, but is taxable after that date.

ACCOUNT TERMS

We reserve the right to withdraw this account or to change the basis of calculation of the interest rate available for new accounts at any time and without prior notice. The full terms of this account comprise the details set out in this leaflet and in the separate General Conditions for our Savings Accounts booklet.

TREATING CUSTOMERS FAIRLY

We are committed to treating our members fairly, and it's central to everything we do. As part of our commitment to treating you fairly we will provide information on our products and processes that is clear and easy to understand. If you have a query or need our help and support, we will respond to your needs and treat them sensitively and flexibly. If you have any questions, or need any help with applying for a product or managing your account, please contact us using the information on page 2 of this leaflet.

COMPLAINTS

We always try to provide a first-class service. Occasionally however, things can go wrong. If they do, we'll try to put them right.

If you have a complaint you should contact us and we will endeavour to resolve the matter quickly and satisfactorily. In the first instance contact should be made by phone or in writing to our Family Service Team at our Principal Office. A leaflet detailing how we deal with complaints is available on request from our Family Service Team, our Epsom branch or our website familybuildingsociety.co.uk/complaints

If we do not resolve your complaint internally to your satisfaction, you may be able to refer it to the Financial Ombudsman Service. The service was set up by Parliament and is free for customers to use. They will look at the facts of what's happened in a dispute between customers and financial firms.

They may decide that a firm has dealt with a complaint fairly and will explain why to the customer or they may decide that the firm has done something wrong and they will then tell the firm to put things right. A copy of the explanatory leaflet published by the Financial Ombudsman Service is available on request or further information is available on their website financial-ombudsman.org.uk

FINANCIAL SERVICES COMPENSATION SCHEME

Eligible deposits with the Society are protected by the Financial Services Compensation Scheme (FSCS).

This savings product is covered by the FSCS.
